

ACE Ground Rules

11.2008

Purpose: The ACE group meets quarterly as a forum to share ideas, information and make recommendations surrounding best practices, community standards, and regulatory compliance, in an effort to provide the optimum clinical student learning experiences.

- All members agree to support the purpose and goals of ACE.
- All members agree to follow the bylaws and participate in changes and voting as necessary.
- All members are valued and have ideas and suggestions to contribute to the group.
- All members have a voice and agree to participate in discussions to have their voice heard among the group.
- All members will work collaboratively with the group to share ideas and resolve problems.
- All members of ACE deserve respect and shall treat each other with respect.
- All members will listen attentively to the person speaking and only one person will speak at a time.
- All members agree to not hold side conversations while others are speaking.
- All members agree to silence cell phones and pagers during meetings.
- In the event a member is unable to attend, every effort will be made to send a representative from their organization.
