ANA & State Membership ANA is the only professional organization representing the interests of all registered nurses, regardless of areas of specialization, clinical setting or work environment. Membership in ANA connects you with nurses from across the country. Your membership provides unique opportunities for you to advance your career, gain knowledge that will improve patient care and influence decisions that impact nurses at the national and state level.

Your membership in ANA makes a powerful statement about you. It shows employers, colleagues and patients your commitment to nursing. Membership identifies you as a nurse who is serious about the profession as well as purposeful about staying informed, educated and involved.

When you become an **ANA member**, you join with nurses across the country, and in your state, speaking with **one strong voice** on behalf of your profession and your patients.

The Colorado Nurses Association is the professional organization representing all of Colorado's Registered Nurses

- CNA provides direction to and a voice for the nursing profession in the health care environment and the community.
- CNA advances the nursing profession by addressing nursing practice, public policy, education and workplace issues.

Member Benefits:

- Personal & professional networking opportunities
- A voice in the community through representation by the CNA lobbyists at the legislature
- Up to 45% savings on ANCC Certifications
- Subscriptions to the American Nurse and CNA Member News
- Discount on leading nursing publications
- Discounts on nursing continuing education
- Special opportunities on liability insurance
- Options for group medical, dental, life & disability insurance

Join CNA and Become a Member of the
Colorado Society of Advanced Practice Nurses (DNA 30) OR
Colorado Society of Clinical Specialists in Psychiatric Nursing (DNA 31)

The **Colorado Society of Advanced Practice Nurses (CSAPN)** provides a forum by which nurse practitioners, clinical nurse specialists, nurse midwives, and nurse anesthetists can enrich their professional practice. It also promotes the role of the advanced practice nurse.

The **Colorado Society of Clinical Specialists in Psychiatric Nursing (CSCSPN)** was formed in 1978 in order to advance the recognition of Clinical Specialists in Psychiatric Nursing. CSCSPN is committed to quality mental health service which promotes the individual's potential while preserving human dignity, autonomy, and worth.
